

ITALY-LUXEMBOURG SPACE INDUSTRY DAY

The **Embassy of Italy in Luxembourg**, the **Italian Trade Agency (ITA)** and the **Luxembourg Space Agency (LSA)** in collaboration with **Camera di Commercio Italo-Lussemburghese (CCIL)**, cordially invite you to the “**Italy-Luxembourg Space Industry Day 2023**”.

This event will be an opportunity for actors in the space sector to highlight the importance of collaboration between Italy and Luxembourg and raise awareness about the potential of this industry to drive innovation and economic growth in both countries.

Introduced by institutional stakeholders' greetings, the whole morning will be dedicated to a workshop exploring Italian and Luxembourgish space activities, capabilities, research breakthroughs and partnerships alike. The aim of this session is to provide a platform to Italian and Luxembourgish aerospace companies for a fruitful exchange of views and practices.

The **Luxembourg Space Agency (LSA)** and the **Italian Space Agency (ASI)**, as well as specialized sectors associations such as **AIAD (Italian Industries Federation for Aerospace, Defense and Security)**, **ASAS (Association for Space-based Applications and Services)**, **AIPAS (Association of Italian Space Enterprises)**, will be participating to better focus on the segment's trends. The participation of financial stakeholders such as **Intesa Sanpaolo Innovation Center** and a number of investment funds specialized in the aerospace sector is also confirmed.

In the afternoon, participants are invited to a session of B2B and networking meetings to allow participants to connect with potential partners, investors, and customers.

The event will be held on **Thursday June 1st at 9 a.m.** at the **Sofitel Luxembourg Europe hotel** on the occasion of the celebrations for the **Italian National Day**.
